**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Fiber has been a critical addition to our household. The cheaper connection and much faster speeds relative to our old service makes doing business possible from home and enables additional commercial opportunities. I consider it 100% a necessity, especially at this price point with rising costs in San Francisco
