**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I went with Sonic, a competitor to AT&T and Comcast in my area. The service is superior and the cost is less than the other providers that want to try and sell me phone and TV packages with the internet access. I do not want those packages.

I now have fiber from Sonic and previously had DSL with AT&T. The DSL was slow and subject to outages. The Sonic fiber is fast and always there.

I still have a phone line and cell phone with AT&T, but I want the ability to pick and choose who my carrier is for individual services.
