**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is critical to our family to maintain our current Sonic provider. Our internet has never been better and it has NEVER been this inexpensive. As older people, we have a limited budget. PRICE is our most important factor after service. Sonic has been the BEST provider we have had, and we have had them SLL. We were early adopters of first At Home, then ATT, Comcast and now Sonic. None compares. STOP giving priority to the bigger providers. They are NOT the best!
