**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need internet access at competitive prices to allow lower economic households access to affordable internet services. We also value the contributions of small business to innovate in providing these services and utilizing available infrastructure. I am a small business owner and father and support broadband competition
