**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would love to have options other than Comcast to provide my household with internet at reasonable speeds and reliability. Due to this lack of competition, Comcast can increase rates as much as they want and I feel stuck with them as a service provider.

Speedy internet is integral as I work in streaming and cannot risk supporting smaller companies that don't offer comparable speeds in my area.
