**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I believe it's very important to have competition in the marketplace.

Free enterprise and choices for the consumer! We have competitive internet service and we've been extremely happy with the service and the price.

I'm opposed to the rate hike and the effort by AT&T to monopolize the system!
