**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My previous carrier was ATT who has continually raised its prices beyond my retirement means. I now have a fiber carrier that gives me a Gb of speed, including a lower bill. Please explain to the American public why you want to end local competitive carriers in favor again, for the Big Boys slipping you a new job. What a dufus, again. Just do the right thing for all Americans.
