**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As an avid internet user and consumer, broadband is essential to my on line experience. There currently is no other provider with anywhere near the speed and bandwidth to compete with Sonic fiber in my area. And if there was it would certainly cost more and be far less reliant. Sonic's broadband is 10 times as fast and costs no more than my only other choices of big carriers.
