**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please keep "Sonic" as my Internet provider. I went "Sonic" over AT&T and there poor service, high pricing , AT&T tired to jump in front of "Sonic" with Fiber cable and cut the speed of the fiber and wanted to charge more for full speed ! Sonic went one flat rate for full speed !

So please don't let AT&T gobble up my internet provider "Sonic", this is why I'm supporting Broadband competition, to keep my prices lower that AT&T, and higher speed !

I do not want to go back to AT&T's poor services and high prices for fiber, unfortunately I'm still with AT&T's Cell phone service and high prices!!

I went with "Sonic" for there higher speed and lower price and phone line service all in one bill. Sonic service is true Fiber optic cable service, not Like AT&T's patch job to try and fool the customers that there getting Fiber optic service, when it is half copper line and patch fiber optic cable, with a sloppy install in my house !! After the sloppy install at my house, I had it with AT&T pulled the plug. Don't AT&T fool you into stopping "Sonic".
