**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been very happy with my competitive internet provider, sonic.net, with DSL for the last four years. They are cheaper, faster, and have great customer service.

Now I have fiber with Sonic, and as before, they offer considerably better experience than my previous service, ATT. Please do not change the rules to limit competition among providers. The only result will be higher prices, poorer service, and the usual terrible customer service with ATT.
