**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC, I have used the internet from the day it was invented. I think a competitive provider is a superior way to go. Otherwise we'll have poor expensive service. I have competitive telephones, five of them and I like that. I also use broadband at home and also at my small business in the neighborhood.
