**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. This has resulted in having really good connection to the internet and great service for the first time with Sonic. Our experience with ATT and Comcast, in the past has been poor service, poor speed and increasing cost. Finally we true competition and it has resulted in great things for the consumer. Add my voice to supporting broadband competition!
