**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer who supports broadband competition. Limiting broadband competition substantially impair competitive carriers like the one I use. I support broadband competition because I don't want to see increased costs and/or limits to competitive choices. Say NO to price hikes that will increase the cost of internet and telephone services.
