**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC, I choose Sonic because of the great product for a very competitive price. My previous carrier always had issues and charged me almost double what I am currently paying. Fiber service from Sonic is the best I have every had with no downtime at all. I support broadband competition to help key pricing low and give people a choice to pick who gives the best service not just stuck with the big telecom company that gives poor service and support.
