**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic has filled a very important gap in phone and data service in my area. Where ATT has failed to provide and maintain updated service, Sonic has stepped in and given our community affordable service with far more effective customer service than a corporate giant could. After many years with ATT paying top dollar for diminishing service, I pretty much gave up. Sonic was there as an affordable alternative providing good service and good value for my limited budget. Please allow them to continue accessing other customers who might be in the same boat as I was!

Thank you.
