**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please reconsider. This takes away my freedom to choose smaller more local ISPs. Local providers add more options to each address, and are better for my home and the school that I work at. In the mountains I live in, the only viable option is the local carrier, and the best service I've received has been from other local ISPs around the state of California.

Please don't end competitive carriers

Thank you,

Aaron Bielenberg
