**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a low income retired person I would be unable to afford high speed internet access without a service provider that is competitive with ATT and Comcast. Their monthly service fees, expensive installation charges and equipment would prohibit me from being able to access the internet with any service but dial-up.

I am a user of competitive DSL.
