**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm appalled to learn about this latest attack by the US Telecom Association on a free and fair Internet.

We already have a problem where too much of the U.S. Internet infrastructure is controlled by only a few large companies. Limiting access to UNEs for small ISPs will only worsen this situation, making it less feasible for small ISPs to compete with large providers, worsening choice for consumers and eroding Internet fairness and freedom.

I oppose the US Telecom's latest petition, and so should you.
