**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need to have choice as it relates to our providers. It is already narrow enough a playing field. The smallest of the vendors deserve to survive and can provide a service to customers that others cannot. It should be our choice to patronize a smaller vendor if we choose. If their business is not truly viable it will show in their bottom line and the marketplace will take care of the situation.

Please vote on the side of choice.

Thank you.
