**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I today am blessed with gigabit internet access through fiber with Sonic. Net. The ridiculous low speeds, lousy service and incredibly high bills I was paying before through uncompetitive Comcast/XFINITY were absolutely unreasonable. We need competition. We need the best internet in the world. An internet where net neutrality is a right and all suppliers work together for the betterment and success of our country. Stop these non-competitive practices and allow more access to high speed internet via fiber for all.
