**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want the freedom to choose the provider I want for my internet and telephone services. If I want to by Levi's jeans or Lee jeans, I have the right to have a choice. Same for the internet and telephone services.

If you want the internet to work successfully, prices need to be low so all of us can afford to maximize the continued success, services, and options for the internet and telephone.
