**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a recent Sonic customer, I am delighted by the quality and improved service that a new company with better ideas can provide given the opportunity. I am likewise appalled at the prospect of a big company being able to squash a small competitor by manipulating government . Who is pushing this " rules change" . Please consider the customer and the public not just the big lobby.
