**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a local internet provider, LMi, as my ideal provider for WiFi because they have great customer service and allow me to support local business.

I ask that you keep competition for internet companies as it's vital that consumers be able to choose the offerings that fit their needs. For me, having a personal relationship with my provider is important -- i can visit them in person in a local office, and befriend their repair person, which makes me feel supported as a consumer.

Please preserve competition for internet providers!

Thank you,

Sarah Morgan
