47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a broadband consumer urging you to maintain a competitive environment for broadband internet. I have been a victim of AT&T's monopoly in the past - the ability to switch to another provider has given me much more efficient, reliable service, and I am looking forward to the fiber service being installed by our local provider.
