**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a customer of Sonic fiber for 2 years for my home. I chose a competitive provider because Comcast and AT&T are very expensive and offer very slow and poor service. I am extremely happy with Sonic internet speeds and price. Comcast and AT&T can't even come close with the service and price that I get with Sonic. I fully support broadband competition.
