**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is crucial to ensuring internet access and choice for all Americans. Please allow Sonic and others to keep Bridge 2 Broadband. I used to have AT&T DSL but switched from 6MB/s to sonic Fiber 1 GB/s for a lower price. I have three Fiber internet providers in my neighborhood, AT&T, Wave, and Sonic. Sonic was the most competitive provider, and competition is what is keeping rates low. Broadband is critical to my home and business as I stream 4K video which requires a minimum of 25 MB/s. Sonic also has competitive telephone service. Eliminating competition will result in Price hikes by the big providers. Don't let this happen!
