**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are very satisfied broadband customers who live in a rural environment. We strongly support rural properties having many choices for internet. Please say NO to any option that takes away our freedom to choose regarding internet access. While we use land lines we find broadband to be essential to our business. Competition and flexibility are essential to our American way. Please support keeping America great by leaving us our options.

Thank you
