**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition for better service and lower prices. Access to effective broadband service is vital for all American citizens in the twenty first century.

I urge you to deny the US Telecom petition that would lead to decreased competition and price hikes in the cost of internet and telephone services.

Thank you,

Rachel Bradley
