**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

When it comes to high speed internet provider, I didn't have much choices. It was either AT&T or Comcast. AT&T's internet speed wasn't acceptable so my only choice was Comcast. I had to use Comcast for 15 years and they keep increasing rates and I didn't have any other alternatives. Not until Sonic came out with Fiber in my area and the price was amazing. I switched to Sonic and never looked back. Please help keep Sonic competitive with other internet provider and not just let consumers have only one choice to choose from. That's a monopoly!

Thanks and regards,

Tuan Dang
