**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose an independent isp because they offer a better product, a better price and better customer service than comcast and att. I have a different provider for phone, internet and tv because each product offering is unique. I dont want to be forced to use a bundle with one provider. Im tired of regular price hikes due to lack of competitive products and providers. Internet is crucial to my job please keep it affordable. Thanks!
