**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner and I support broadband competition. The big names were always complained about. Sonic came along with a great service, customer service and price. They tried to do outdo and be better than the competition and I got the rewards from that. I hated my previous provider but they "owned" the neighborhood. Now, I have someone who wants to be better and does better.

This country is based on competition.
