**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic because it offered an alternative to the AT&T and Comcast (xfinity)--it was different and offered much better customer service. Having only an oligopoly hurts the economy, the consumer, and ultimately America. We need to have more competition in the marketplace and we all have a story of how a monopoly/oligopoly was absolutely terrible because they had no incentive to improve--they were the only option! Especially when it comes to something as crucial as internet service, the FCC and the US Government needs to ensure that they are looking out for the interest of the PEOPLE who they ultimately serve.
