**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing because I want to maintain a fair and competitive market in broadband services in my town.

Currently I am receiving excellent services from my local carrier LMI and am afraid that if they are squeezed out of the market by ATTs refusal to rent them lines, I will face increasing rates in the future.

Please rule in favor of a small local company in this dispute with AT&T. Thank you.
