**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. Sonic, my provider, has given me internet access as well as phone service where I pay the same whether calls are local or long distance. I have been with them since 2015 and the price for my access has been fair and has not risen since my upgrade to fusion fiber.
