**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please keep broadband competition alive. Prior to getting sonic we had nothing but problems with att and thier lack of care for the customer and non responsiveness. We need to keep the competition alive. We are retired and have limited financial resources available so the more competition allows us to be able get good internet service at a price we can manage. Prior to sonic coming on board we had to settle for inferior product at a higher cost than we can afford.
