**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It always amazes me when some of the loudest voices for the Free Market are simultaneously working to prohibit, with the help of government, any competition.

I am a Sonic customer in San Francisco for a reason.

AT&T does not provide quality internet service in my neighborhood. Without Sonic I would have had no options beyond Comcast.

Less competition means poorer quality at greater expense.

Less competition is unAmerican.

FCC, please do your job to protect the consumer, not the corporate giants.

Thank you,

Mark Leno
