**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and I support broadband competition. These days internet access is very important especially for people like myself who have school age children that rely on broadband to complete their school work and much more. I don't think any corporations should monopolize any industry, competition is the best, it helps regulate the industry and keep prices fair.

Sincerely,

Audrey Winslow
