**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. Sonic internet provided me a much more reliable fiber connection with 50x the speed for a more affordable price. Without access to larger provider's DSL backbone my service would not be possible. Please promote a complete environment. The FCC is meant to protect consumers not corporations.
