**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competitive broadband (unbundled) is critical. I fiber today, but was previously connected with competitive DSL, and I could not be happier.

Please do not hike prices that will increase cost, most notably to consumers like me.

I am stuck with poor service in a dense urban area with bundled bloatware that is expensive and poor quality, and my ISP with fusion gigabit internet provides excellent internet for my needs.
