**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I absolutely support broadband competition. And I love Sonic. Please protect our access. I like the fiber optic approach they use. This is crucial to our access to the internet. Lets stop attacking the things that are so important to people. Do something for people - not only big greedy corporations!
