**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. Sonic currently provides my broadband internet connection, and I chose them because they provide faster service at lower rates than the largest competitor in my region (Comcast). Please encourage broadband competition. It is important to consumers and helps reduce our cost of internet access while encouraging providers to adopt best technologies and provide the best service to consumers in order to stay competitive.
