**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support independent internet service providers.

Small business provide service sensitive to our local needs. Big business monopolies are non responsive and insensitive to local needs. Competition between providers levels the market and keeps big business accountable.

I say NO to price hikes. Internet should be accessible to all.
