**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose my local provider Sonic, because they not only provided much faster service but also were significantly cheaper. Im so happy I was able to switch to them, I did it as soon as the fiber line was installed, before that I only had one choice for high speed internet. To me it felt like, if not actually, a monopoly. I feel so much better that I now have a choice, if I dont get the service I expect I can always switch.
