**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As resident of the Brentwood city, the only alternative that I've to SONIC was AT&T, I remember asking to AT&T what was the service and they were providing maximum 12MB vs 1GB provided by sonic. I was scared because I never heard before of them, but the service they are providing is great on a city with no real alternatives on the same segment for the same price.

Thanks,

Nicolas De Amorrortu
