**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Removing Bridge 2 Broadband hurts competition among ISPs. I urge you to stop hurting broadband competition. I choose Sonic because they support Net Neutrality. I'm the lucky one with a choice, but most people I know only have one choice of internet provider. I need fiber to do my work, removing competition in the name of de-regulation will destroy internet businesses like mine. Save the internet and stop your Telecom-backed crusade!
