47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic offers a significantly price-quality deal than other providers in San Francisco. And we know that fair and honest competition is the main driver of progress. It will be a disaster for me personally and for ISPs market in the US is companies like Sonic are forced to lose their competitive edge by existing players.
