**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is imperative that we maintain and promote competition in any market. I recently was able to switch to using a cheap fiber network, but even before I switched, Comcast was steadily improving its offers and practices, because they were forced to in order to retain customers. Competition is good for all citizens of the United States, including you.
