**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer owner of Sonic and actually I'm super happy, fast service... In fact, the best internet service that I ever had! I don't think that is fair to remove the lines of services for others that are very expressive and slower. I think that we need competition like this to provide a better service and better prices.
