**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a long- time resident of San Francisco and Ive experienced the full gamut of services available over the last 18 years. Ive been unhappy with the larger service providers and looked for a smaller offering with better prices and service. Ive been VERY happy with Sonic who initially provided DSL, then fiber optic. Without smaller providers in this market, Im left dealing with a virtual monopoly and restrictive pricing. Please ensure that you are allowing competition in this market. Without services like Sonic, customers are forced to choose between Limited and Expensive.
