47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My IPS, LMi.net in Berkeley, CA has provided affordable and extremely reliable service to me for 20 years and I am very happy with it. Please do not allow big company providers to limit options for the smaller providers, thereby raising costs for me personally, and de-personalizing my service.

Please stand for more competitive choice and affordability in Internet Services Providers like LMi.net.
